1. Flipping cup & cup challenge

Place the cup on the side of the table and try to flip it up so it lands on the table, standing up. It's like the bottle flip, but with a cup. For the cup challenge you put a cup somewhere in the room, take 10 steps back and try to land a pen or pencil in the cup. It's a trick shot classic!

2. Candle burning underwater (or raising water challenge)

You'll need an extra bowl and a glass jar for this. Place the floating candle on the water and light it. Place the jar over the candle and slowly see the water rise. Need some extra info? Go on YouTube and search 'candle burning water' or 'raising water challenge'.

3. Cut balloon challenge

Take a couple of balloons and place them over each other. Then fill the layers balloon with water. Hold the balloon over someone's head and ask them to cut layer by layer with a knife. Take turns. The one who gets the shower loses!

4. Freeze water challenge

Make a water balloon. Create a small surface using the tape. Prick a hole in the balloon and see the amazing effect.

5. Stick balloon challenge

Stick a toothpick or long stick through a balloon without popping it.

6. Draw on back challenge

You draw on someone's back. They try to draw on a paper what you are drawing on their back.

7. Catch the napkin challenge

Stand on the highest step of your stairs or on the first floor. Drop your napkin and try to catch it before it hits the ground.

8. Infinite chocolate bar

You get an extra piece of chocolate if you cut your bar in a very weird way. Look it up on YouTube!

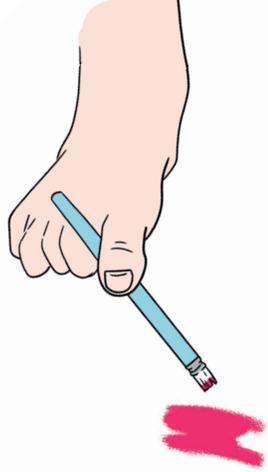

9. Catch an apple with a fork

Throw an apple. Catch it with a fork. Keep doing this until you have no more forks.

10. Bottle flip

You know how this works.
